

Ringebakkerne

Ringebakkerne er et fredet og stærkt kuperet klippe landskab som Bornholms Regionskommune stiller til rådighed for natur og friluftsliv.

Ringebakkerne comprises a hilly rocky landscape subject to conservation laws and made available by the Regional Municipality of Bornholm for wildlife and recreational activities.

Vis hensyn til naturen og andre besøgende ved:

Please show respect for the wildlife and other visitors by:

- at færdes med omtanke, using common sense as you move through the area,
- at holde området frit for affald, not discarding refuse in the area,
- at lade planterne stå, og not disturbing the plants, and
- at færdes roligt - særligt efter mørkets frembrud moving about quietly, particularly after dark

Bemærk, at der kan forekomme stenskred, og at al færdsel sker på eget ansvar.

Please note that there is a danger of falling rocks and that all movement in the area is at your own risk and responsibility.
